

PRESENTING SPONSOR:

MARCH 23, 2010

5TH ANNUAL NARROW RIVER TURNAROUND SWIM

Thank you for taking the time to consider sponsoring the Narrow River Preservation Association's (NRPA) 5th annual Narrow River Turnaround Swim.

The swim, scheduled for June 19, 2010, will be a 1 mile swim in Narrow River that will begin at the University of Rhode Island's (URI) Boathouse on Walmsley Lane in North Kingstown, RI. The swim will go one half mile down river, turn around, and will end back at the URI Boathouse.

It is important to emphasize that this event is a benefit for Narrow River. Proceeds from the swim will be used to fund NRPA's education, preservation and protection programs (including the AWESome education program in watershed schools), and our water quality monitoring program *River Watch*, now entering its 19th year.

By filling out the enclosed Sponsorship Form, which lists the sponsor categories, you can make contributions in support of NRPA. We have several categories of sponsorship, including the Benefactor category, which will get your company's name on our swim T-shirt. Please note the advertising you will receive for each sponsor category as described on the Sponsorship Form. As in the past we will accept your **tax deductible** check or donated goods or services.

We are gearing up for this year's swim and hope that you will be a part of this wonderful Narrow River Benefit. If you need further information, or have any questions, please contact Mick Westkott at 401-789-6341. Thank you for your assistance and support.
